Activities: Dome with lift (includes Basilica)

The end of the trip

Rome, the Eternal City and Capital of Italy, enchants with its thousand-year history and timeless charm. Every step in its historic center reveals grandiose monuments such as the Colosseum, once the scene of gladiator fights, the Pantheon and the Trevi Fountain, with its magical coin ritual. In the heart of the city stands the Vatican City with the majestic Basilica of St. Peter, a symbol of spirituality and art, which houses extraordinary works. Between museums, churches, and the elegance of Cinecittà, Rome vibrates with culture and beauty, and its soul is also revealed in its inimitable food and wine tradition.
