IMPORTANT INFORMATION

ENTRANCE POINT RESERVED FOR ONLINE BOOKINGS

Take the dedicated route from Largo del Colonnato/Via di Porta Angelica.

✚ HOW TO ACCESS THE BASILICA

Follow the **VIOLET route** for the ascent to the Dome via the **LAMBERTINI Lift** through a dedicated entrance, located inside the Basilica, reserved exclusively for online reservations.

To access the Basilica, use the route reserved exclusively for visitors with **online reservations**.

Access begins at **Via di Porta Angelica (C)**, where you will find:

- **Horizontal and vertical signage**
- **Authorised staff** ready to assist you

You will have to pass two mandatory checks:

1. **QR Code check (D):**

At the **gazebo in St. Peter's Square**, managed by our staff.

2. **Security check:**

Carried out by the **State Police** at the Rapiscan gates located **under the Colonnade**.

This takes place **after** the QR code has been verified.

Once you have passed both checks, follow the dedicated signage or ask our authorised staff (recognisable by their **yellow bibs**) for assistance in reaching point **(E)** and enter the Basilica.

Following the **VIOLET route**, go to the access point for the **LAMBERTINI Lift** to the Dome (H) at least **15 minutes** before your reserved time. A new QR Code check will be carried out here.

At the end of the visit to the Dome, go to the descent point towards the SOBIESKI Elevator (H) or Stairs (I) to continue the visit to the Basilica.

The visit with the **Digital Audio Guide**, included with the online reservation, lasts approximately **60 minutes**.

WHEN TO ARRIVE FOR THE CHECKS

We recommend **arriving at St. Peter's Square** for the QR code check **(D)** and subsequent security checks at least 30 minutes before your booked entry time.

Please note:

During busy periods, **delays may occur due to the increased time required to carry out security checks.**

HOW TO REACH THE CHECKPOINTS

Walk along **Via di Porta Angelica (C)**, keeping to the right-hand side. Once you have passed Porta S. Anna, follow **the signs** for online bookings, which will lead you to our staff, who can be recognised by their **yellow bibs**.

You will be shown the route to follow to reach the **Gazebo for QR Code Check (D)** and carry out the subsequent **Security Checks**.

WHAT YOU NEED

To access the venues included in your booking, print or display the **access QR code** above on your mobile device for each participant.

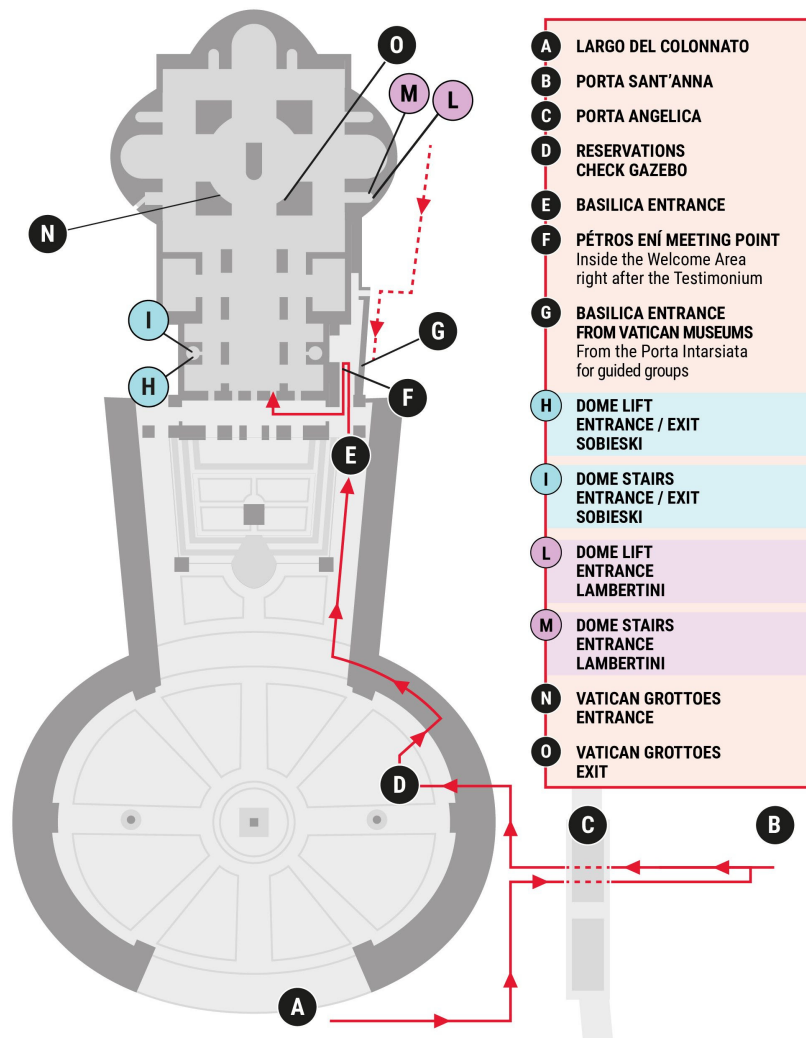

Please note that **each ticket and its code are nominative** and therefore valid for one person only.

HOW TO ACTIVATE YOUR TICKET

The QR codes for Basilica-only visits are valid starting **15 minutes before** the scheduled time and **15 minutes after** the visit. In case of delays, contact the on-site Visitor Assistance or reach out via www.basilicasanpietro.va.
